Mining & Resources | Energy |
Engineering & Construction | Infrastructure |
Water | Transport & Logistics |
Industrial Development

“

We do not merely introduce parties.
We develop the transaction pathway.

”

OUR APPROACH

1

Opportunity Assessment

Understand the project, parties and commercial outcome sought.

2

Due Diligence

Assess available information, credibility and gaps.

3

Transaction Design

Develop the structure, role allocation and value proposition.

4

Partner & Capital Identification

Align investors, funders and strategic participants.

5

Negotiation & Coordination

Coordinate discussions toward agreed commercial principles.

6

Implementation Support

Support due diligence, documentation and early-stage implementation.

WHY IPROSPER CORPORATION

Multidisciplinary Perspective

Transaction-Focused Advice

Sector Understanding

Strategic Networks

Confidentiality & Discretion

Alignment of Interests

VISION

To become a trusted African transaction advisory and project-development partner.

MISSION

To originate, structure and advance commercially viable transactions across Africa's resources, infrastructure and industrial sectors.

LET US STRUCTURE THE PATH FORWARD
